VERSE 1:

D A/D G/D D G/D D
Back in the garden, when all was right Satan changed it all to wrong
D A/D G/D D G/D D
A sovereign pardon would fix the blight Thus began redemption's song
A Bmin7
So Abraham was called, a promise there and then
G D
Was made, by faith he went, was blessed then blessed again
A/C# Bmin7
And like him we who trust can truly say "amen!"
G
What a gracious God we have

CHORUS:

G A G/B A/C# D G D
What a gra - cious God we have; Who could conceive
G A G/B A/C# D G D
All that's ours through Jesus Christ; We now receive

VERSE 2:

The law was given, but not believed; Israel's faith was deeply flawed
The prophet's message was not received, vexing our most holy God
But all the while redemption's plan was being formed
Emmanuel, God With Us, Jesus would be born
The Prince of Peace among us, hell would soon be stormed
What a gracious God we have

_to CHORUS

VERSE 3:

Then condescending in humble birth, Jesus joined the human race
He came intending to bless the earth, showing us a God of Grace
Despised, rejected, he endured the vilest wrong
He hung upon a cross, a place where we belong
And thanks to Him we now can sing redemption's song
What a gracious God we have

_to CHORUS
