VERSE 1:

D *G/D* *D* *A*
O cross-hung life of God made man, which all my sin did bear
D *G/D* *D* *A* *D*
Here Love and Law and Sin collide and Hope has slain Despair
G *D/F#* *A/C#* *D* *G* *D/F#* *A*
Though every accu - sation of the Evil One be true
D *D/F#* *G*
My righteousness is in Jesus Christ
D/A *A* *Bmin* */A* *G*
Whose covenant is New
D/A *A* *D*
Whose covenant is New

TURN (same as intro)

VERSE 2:

Though sick with Sin and prone to fail and weak in every sense
We have a Priest named Jesus Christ who is our Innocence
He drank the cup of Righteous Wrath for sinning past and yet-to-be
Now in His finished Work I stand:
"For Freedom I am free!"
"For Freedom I am free!"

VERSE 3:

D *G* *D* *A*
Draw your swords, oh ransomed sons of light and charge Hell's rusted jail
D *G* *A* *G* *D*
With joyful anthems raise your song. The gates shall ne'er prevail
G *D/F#* *A/C#* *D* *G* *D/F#* *A*
Through pain and shame and suffer - ing our adver - sary roars
D *D* *D/F#* *G*
But where undeserved grace a - bounds:
D/A *A* *Bm*
"Our guilt abounds no more!"
D/A *A* *D*
"Our guilt abounds no more!"
