## INTRO

### VERSE 1:

Unto you O Lord I cry for help  
I lay my requests before your throne  
    I wait in hope  
    Now let your will and purpose be known  
    I wait in hope  
    Now let your will and purpose be known

TURN (same as intro)

### VERSE 2:

Calm my anxious thoughts and still my heart  
Till peace like a river floods my soul  
    I wait in hope  
    Relinquishing my need to control  
    I wait in hope  
    Relinquishing my need to control

## INTERLUDE

### VERSE 3:

Lead me in the way of righteousness  
And straighten the path marked out for me  
    I wait in hope  
    My faith is placed in your sovereignty  
    I wait in hope  
    My faith is placed in your sovereignty
