## INTRO

### VERSE 1:

A few more years shall roll,  
A few more seasons come,  
And we shall be with those that rest  
Asleep within the tomb;  
    A few more suns shall set  
    O'er these dark hills of time,  
    And we shall be where suns are not  
    A far serener clime:

### CHORUS:

Then, O my Lord, before the night  
Prepare my soul for that great day.  
Now wash me in your precious blood,  
And take my sins away.

### VERSE 2:

A few more storms shall beat  
On this wild rocky shore,  
And we shall be where tempests cease,  
And surges swell no more;  
    A few more struggles here,  
    A few more partings o'er,  
    A few more toils, a few more tears,  
    And we shall weep no more:

\_to CHORUS

### VERSE 3:

A few more Sabbaths here  
Shall cheer us on our way,  
And we shall reach the endless rest,  
Th'eternal Sabbath day;  
    'Tis but a little while,  
    And He shall come again  
    Who died that we might live, Who lives  
    That we with Him may reign;

\_to CHORUS

### TAG FINAL CHORUS

Now wash me in your precious blood,  
And take my sins away.
